

Zimmerman Advertising InfuZion Internship

4 hrs · 🌐

What's an internship to you? To us, it's an opportunity. It's a chance to test the waters of an industry; to prove yourself as a future employee; and to see what lies beyond the pages of your textbooks. But above all, an internship is a chance to become more of what you hope to become: the best possible version of you.

And that's where we come in – Zimmerman's InfuZion program allows you to become more. Become more creative. Become more innovative. Become more strategic. Become more collaborative. What will you become more of? That's up to you.
